LB 756

we adjourn Thursday or we take that off and come back Friday and adjourn at that time. Is it possible to make that determination?

SPEAKER LUEDTKE: Mr. President, if I may refer to that, I don't think it is possible to make a firm decision. Right now, my decision would be that we go right straight through and adjourn sine die Thursday and I would hope that is what we'd do. We may run into an E & R mechanical problem that makes us take off either Tuesday or Thursday, then we wouldn't have any control over that. We also may run into something where the Governor comes in very late Wednesday and says I am not going to let you know until Thursday whether I am going to override it or I am going to veto it so we will have to come back Friday to override. That is the only two contingencies but I don't think we can decide that now, Senator Koch. I am sorry but I think we plan on sine die Thursday realizing that there may be mechanical problems or veto problems late in the week that would change our minds to come back Friday. Right now, it ought to be Thursday.

SENATOR MARVEL: Senator Koch, does that answer your question?

SENATOR KOCH: Mr. Speaker, I am sorry, I would put it in the form of a motion that we work Monday, Tuesday, Wednesday, take Thursday off and come back Friday because I am certain that there is going to be some problems with E & R and I think the Chairman of the Appropriations Committee, it gives that committee more time and I think we can all then set plans accordingly.

SPEAKER LUEDTKE: Mr. President, just commenting on that, we don't know, we may have to take off Tuesday. It may be mechanically that we have to take off Tuesday, then we are set for a Friday sine die anyway but I would not want to make the decision now whether it is Tuesday or Thursday. Let's keep it flexible right now.

SENATOR MARVEL: Senator Luedtke, do you want a five minute recess now?

SPEAKER LUEDTKE: Yes, then I would request at this time a five minute recess...no, just at ease.

SENATOR MARVEL: We will be at ease for five minutes.

SPEAKER LUEDTKE: At ease, that is enough, until we bring these bills back.

EASE

SPEAKER LUEDTKE: The Legislature will come back to order. The Clerk will read in.

CLERK: Mr. President, your committee on Enrollment and Review respectfully reports we have carefully examined engrossed LB 756 and find the same correctly re-engrossed. Signed Senator Cullan, Chairman.
